

NO THANK YOU TOOLS

A message from TWAM

It's not about what we want, it's about what people can use. What may be useful to us, may not be useful to recipients in our partner countries. If we say we can't take something, we're not being ungrateful, we're just being honest.

All broken tools - we can sharpen and remove surface rust, but **can't repair or take tools with woodworm.**

Ladders and step ladders, Lawn rakes/long-handled shears, hedge trimmers, electric trimmers, Workmate benches

Electric and hand lawnmower, Printers, scanners, typewriters. Disability aids: walking frames, wheelchairs, medicines and glasses, Clothes and shoes, Bikes, Books,

Embroidery materials, curtains and weaving materials

Cooking pots, pans and kitchen utensils, crockery and cutlery, household appliances and musical instruments

This isn't an exhaustive list, just the main things we're offered by well-meaning supporters on a regular basis

While the main TWAM depot needs a new forklift PLEASE DON'T DELIVER ONE to the back of church!
